

# *Chronological* **Bible Reading Plan**

*Journey Through the Bible in One Year*

## **About This Plan**

This Chronological Bible Reading Plan is designed to guide our church family through the Bible in a year, helping each member engage with God's Word in the order events occurred historically. By reading the Bible chronologically, we can better understand the flow of biblical history and the story of God's redemption through Jesus Christ. This will help facilitate both personal and corporate growth in our church community. I encourage you to use this guide alongside prayer and reflection. Partner with others and form small groups to discuss what you have read. It is our desire to come into **alignment** with God's Word in 2025.

- **Start Date:** January 1, 2025
- **End Date:** December 31, 2025
- **Reading Time:** 15–20 minutes per day

**Let's grow together!**
